

Design Range doors – A truly modern range of Up & Over doors

The series 100 design range doors are built from four horizontal skins, whilst series 200 doors are built from three vertical skins.

Both series feature a minimalistic door panel and have a wide range of stylish designs available.

The wide range of stylish designs

Stainless steel elements on Garador design range doors are manufactured from high grade steel and feature a fine brushed finish. The series 100 and 200 design range doors are also available without stainless steel elements.
