# The elegant way to show neighbours where privacy begins.

### markilux 790

There are few seating areas outdoors that are protected on all sides from sun, wind and prying eyes. Therefore, this slim markilux side screen simply makes your life on balcony or patio more comfortable and enticing. It can be extended in one smooth movement and is always by your side when you need it and feel like making use of its benefits.

**Side screen**  
extension: max. 450 cm  
height: 90 – 250 cm

**Options**  
sloping top edge,  
mobilfix (up to a height of 213 cm),  
a broad range of fixture options

**Sloping top edge**  
The cover is available with a sloping top edge which can be adapted to the pitch of your markilux awning. It creates a beautiful, enclosed and protected area free from prying eyes and the glare of the sun.

# MX\_790

**mobilfix**  
 The moving support post with granite base plate stands secure, wherever you want it to.

**A broad range of fixture options**  
 markilux offers you the perfect means of installation for every situation.
