

The *Simplicity* Range

The Simplicity range of solutions have been designed with quality longevity and speed of installation in mind.

We have developed these systems to be completely made from aluminium so that they last the rigorous of the British weather.

They can be glazed with either glass or polycarbonate so that you can be assured they can meet most budgets.

We place a lot of importance on keeping things simple and quick to install (hence the name) this means these products are really simple for your clients to maintain.

Having a range of options is also important so that customers can enhance the experience by adding upgrades like lighting, heating and additional protection from the elements.

Cost effective carport or garden veranda systems that are quick and easy to install.

option 2

The *Simplicity 6* Glass Veranda

The Simplicity 6 is a stylish veranda, canopy or carport system that is glazed with 6mm toughened glass in a range of options.

With various elegant post and glass options, this product offers you a deluxe garden canopy or veranda at an affordable price. By featuring the option of clear glass roofing, the Simplicity 6 Glass Veranda offers improved acoustic properties – reducing the noise of rain drops during a downpour; these glass panels also provide a sparkling finish which is easy to maintain, particularly if the self-cleaning glass option is chosen.

All framework is constructed from durable aluminium, with the option to powder coat the structure to any RAL colour or BS colour.

Now available in either white or anthracite grey as standard.

"The veranda has made a big difference to our property and it has created a great outside space all year around. In warm weather it's great for eating outside and to entertain and in cooler or wetter weather can still be used to sit outside in the garden with some shelter."

MR. GREEN - BASILDON, ESSEX

The Simplicity 6 Glass Veranda is the perfect veranda solution for domestic gardens and provides effective and stylish cover from the weather for alfresco dining and garden parties.

With a span of up to 3.5m glass length from its supporting wall, and an unlimited length you will have a solution that can be adapted to suit your exact needs.

The Simplicity 6 Glass Veranda comes with a full 10 year guarantee and a 25 year life expectancy, making this a real investment that you will be able to enjoy for many years to come.

Self Cleaning and Tinted Glass Options Available

The Simplicity 6 can be supplied with Optional Interrelated Remote Controlled LED lighting

The *Simplicity 6* Glass Veranda

Features & Benefits

- **Full 10 Year Guarantee** – The Simplicity 6 is supplied with a full 10 year guarantee and a 25 year life expectancy for the canopy frame
- **UV Activated Self-Cleaning Glass** – Optional 6mm self-cleaning toughened glass has a UV activated special coating that is applied during manufacture that breaks down organic dirt which is then washed away by the rain. Only a small amount of UV is needed to activate the special coating so that the veranda remains clean even on cloudy days
- **Toughened Glass** – Both glass options are toughened during manufacturing and achieve Class 1 BS EN 12600 for impact performance
- **Low Maintenance** – All roof options are low maintenance, particularly the self-cleaning glass, which means less cleaning is required, saving you time and money
- **High Light Transmittance** – All roof options offer high light transmittance
- **Available Projections** – Up to 3.5m projection (Bar length)

- **Simple Fixing System with Minimal Parts** – For a simple and speedy installation
- **Low Profile** – The Simplicity 6 can be fitted in height restricted areas
- **Integral Aluminium Guttering** – Creates a sleek, modern design which is stronger than external guttering systems and saves time on installation

Information on the design load and maximum span limits is available on request.

Infrared Heaters

LED Remote Control Unit

Infrared Outdoor *Heaters*

The infrared wall mounted heaters have ceramic elements that are designed to gently warm adults and children whilst outdoors under a covered structure such as a canopy using Far Infrared technology which is completely harmless and contains no ultraviolet radiation or fumes.

The heaters also do not emit or noise and provide a gentle heat similar to the feeling of the winter sun.

Your customers can enjoy keeping warm outside without feeling too hot and without experiencing any unsightly glare.

The ceramic plates generate heat quickly and reach their full operating temperature within less than 10 minutes.

Each unit is supplied with a 5 year warranty and require no maintenance. They are CE certified and carries the UL safety recognition (file no. E214574) when installed by an approved electrician.

Size:

Available with 2 or 3 heated elements to create medium or large heated areas with a choice of different power outputs.

Reflex Glass *Heaters*

A powerful, waterproof short-wave heater (IR-A) with a tinted, ceramic-glass front that provides instant heat in all outdoor areas. The heaters include brackets for wall and ceiling mounting however, they are available with a frame for ceiling installation.

**Available with
Dimmer and
Remote**

Reflex *Sound*

Bluetooth speakers for outdoor use – perfect for under a veranda.

- High quality, long lasting speakers
- Waterproof, IP Protection Class IP65
- The heater case, glass and frame are available in a choice of colours including black or silver
- Size: 900mm x 170mm x 80mm
- Colour Black only
- Available with a remote control
- Can be connected together with the Relax Heaters
- 2-year guarantee

Modular *Heaters & LED Lights*

Our unique modular heaters and LED Lights offer individual combinations for every project.

They compliment all our canopies, verandas and awnings, are easy to install and waterproof.

Combine single modules or standard sets to every desired colour and length – 10, 20, 30, 50 or 100m.

Choose from our standard colours pure white (9010), Black (9005) and anthracite (7016) or with a supplementary charge for an individual colour of your choice.

Mounting brackets are included whether single modules or standard modular sets.
