

Steel Garage Side Doors

With block frame made of aluminium profiles

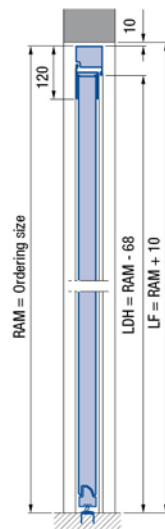

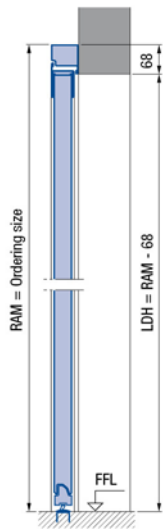

Product description

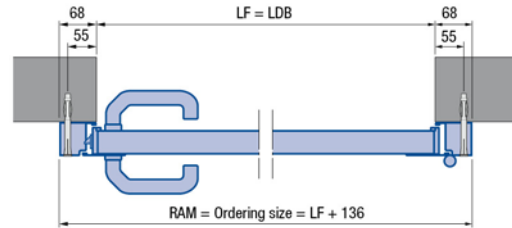

Fitting dimensions

Fitting behind the opening

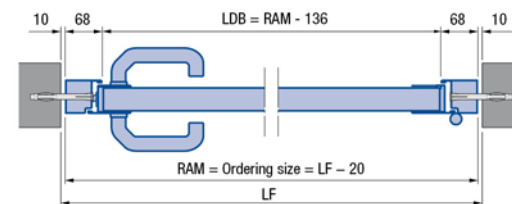

Fitting in the opening

Fitting behind the opening, example profile type 1

Fitting in the opening, example profile type 2

LF = Structural opening
RM = Grid height

LDH = Clear passage height
RAM = Overall frame dimension

LDB = Clear passage width

Fitting dimensions

Profile type 1, only opening inwards
S, M, L-ribbed or S-panelled
(fitting behind the opening)

Structural opening	Ordering size = overall frame dimensions (RAM)	Lever handle height from FFL	Spacings
Standard sizes			
855-875 x 1990-2000	990 x 2058	955	125/250
855-875 x 2115-2125	990 x 2183	1010	133/265
980-1000 x 1990-2000	1115 x 2058	955	125/250
980-1000 x 2115-2125	1115 x 2183	1010	133/265

Profile type 2
S, M, L-ribbed or S-panelled
(fitting behind the opening)

Structural opening	Ordering size = overall frame dimensions (RAM)	Lever handle height from FFL	Spacings
Standard sizes			
855-875 x 1990-2000	990 x 2058	1050	125/250
855-875 x 2115-2125	990 x 2183	1050	133/265
980-1000 x 1990-2000	1115 x 2058	1050	125/250
980-1000 x 2115-2125	1115 x 2183	1050	133/265

Profile type 2
S, M or L-ribbed version
(fitting in the opening)

Structural opening	Ordering size = overall frame dimensions (RAM)	Lever handle height from FFL	Spacings
Standard sizes			
875 x 2000	855 x 1990	1050	125/250
875 x 2125	855 x 2115	1050	133/265
1000 x 2000	980 x 1990	1050	125/250
1000 x 2125	980 x 2115	1050	133/265

Profile type 1 and 2
S, M or L-ribbed version
(fitting in or behind the opening)

Ordering size = overall frame dimensions	Lever handle height from FFL	
	Profile type 1	Profile type 2
Special sizes		
855-1250 x 1990-2300	898-1064	1050
855-1300 x 1990-2558	898-1064	1050

Profile type 1
S-panelled doors or doors with special design
(fitting only behind the opening)

Ordering size = overall frame dimensions	Lever handle height from FFL
Special sizes	
950-1250 x 2058 or 2183	898-1064
950-1300 x 2013, 2058, 2138, 2183, 2263, 2308, 2443 or 2558	898-1064

Profile type 2
S-panelled version
(fitting only behind the opening)

Ordering size = overall frame dimensions	Lever handle height from FFL
Special sizes	
950-1250 x 2058 or 2183	1050
950-1300 x 1943, 2013, 2058, 2138, 2183, 2263, 2308, 2443 or 2558	1050

Steel Garage Side Doors

With block frame made of aluminium profiles
