

# Tradewinds Classic

## Lasting

Designed for commercial use

High strength wooden frame

Acrylic fabric  
23 colour options

Interchangeable components

### Tradewinds Classic

High grade wooden parasols, specifically designed for commercial use. Available in a wide range of shapes and sizes. With a 20 year history, gracing the terraces of some of the worlds leading hotels and restaurants, Tradewinds Classic parasols continue to provide shade and shelter to the most discerning user.

### Frame

Manufactured from laminated eucalyptus, ideal for parasols due to its high density and straight grain. Stainless steel bracket system that allows easy replacement of components, ensuring long life and maximum investment protection.

### Canvas

High quality acrylic canvas available in a wide variety of colours. Reinforced pockets make replacing the canvas simple. Fitted with a large size air vent for additional stability.

### Available sizes

2.2m Square	2.6m Hexagonal
2.8m Square	3.2m Hexagonal
3.6m Square	4.0m Octagonal
2.0m x 3.0m Rectangle	

### Options

Heavy duty PVC cover bags for protection when parasols are closed.  
Bases in concrete, granite and steel. Stainless steel in ground bases.

### Printing

High quality screen printing is available with no minimum order quantity.
