Semina

Youthful design meets potent technology

The compact Semina semi-cassette is great in price, functionality and design. It offers a straightforward design and outstanding quality.

Semina – Highlights and features

The compact semi-cassette – fresh, youthful aesthetic appearance

Here, the semi-circular cassette profile together with large front profile ensure the fabric and mechanical parts remain dirt-free.

- compact shape
- durable and very quiet weinor LongLife arm (10-year warranty)

Energy-efficient – the optional LED light bar

Even more hours of enjoyment on your patio – the optionally available LED light bar provides a pleasant warm white light in the evenings.

- highly energy-efficient
- operating life of 30,000 hours
- infinitely dimmable when used with BiConnect radio control
- can be used even when awning is retracted

Wind lock safety device – protecting your awning

The weinor tilting folding arm with proven wind lock safety device prevents the awning from being lifted up by the wind.

- proven, maintenance-free technology
- all components made of forged and extruded aluminium
